Have your wedding photos published in *Renaissance Magazine's* 2008 period wedding issue—and win a valuable prize—by entering *Renaissance Magazine's* Wedding Photo Contest!

All couples who have had a period wedding within the past three years are eligible to enter (if you entered last year's contest, you are ineligible to participate in this year's contest so please **DO NOT** resubmit). Just fill out the entry form and mail it in along with the entry fee and up to six photos from your wedding.

Photos will be judged on content, composition, and the historical accuracy of the costumes. Slides, prints, and digital images are acceptable (if you are submitting digital photos, please send them on CD-ROM).

All winning photos will be published in our 2008 Wedding issue. Each will receive not only the specified prize, but also a **one-year subscription (or renewal) to *Renaissance Magazine*, a \$29 value.**

All winners will be notified of publication. All photos/CDs are non-returnable, and will become the property of *Renaissance Magazine*.
